

## REDWOOD PARKS CONSERVANCY

December 16, 2024

Dear Doug,

Thank you for donating matching funds for our fundraising event to benefit Howland Hill Outdoor School at Redwood National and State Parks. Your contribution ensures that kids will continue to be able to visit Howland Hill and learn about the redwood ecosystem. This program sparks a love of redwood forests, creating future ambassadors for these majestic trees. This is crucial to ensuring these trees are protected for future generations.

Because of your generosity, we will be able to continue to support the parks and provide day and overnight programs to kids at Howland Hill Outdoor School. Your matching donation directly benefits young participants as we will be able to perform needed repairs and provide staffing for these programs.

Thank you for making this event a success. With your help, we were able to raise enough funds to send 250 kids to attend a field trip to Howland Hill Outdoor School! Your support of the redwood parks and outdoor education is very much appreciated by all of us at Redwood Parks Conservancy.

With warmest regards,
